

NO NO NO NO NO on TOLLS on any Connecticut borders or on any of Connecticut Roads or Highways or Turnpikes!!

I am a Connecticut native who grew up on the toll roads of the Merritt Parkway and I-95 and am totally against TOLLS being restored.

This would be simply STUPID. The tolls were very dangerous causing numerous accidents and claiming many lives.

As a taxpayer, I am BEGGING the Legislature to TOSS the WHOLE IDEA OF RESTORING TOLLS AWAY! It is flat wrong and we do not need any more avenues of taking MONEY FROM OUR POCKETS! Between the gas tax, and other taxes of CT, we are far over taxed and some of us just DON'T HAVE the bucks. Especially those on fixed income as I am.

I SAY NO TO TOLLS BEING RESTORED!
